

# Our 1869 Society

*It was the philanthropy of a benefactor, Robert Patterson, that helped establish Ursinus College over 150 years ago, and it continues to be the generosity of our donors that keeps us moving forward. Our 1869 Society acknowledges our history as an egalitarian college that offers opportunity for inquisitive minds from all walks of life, while also creating a foundation of support that sustains the college.*

*Members need to contribute \$1,869 or more over the course of a single fiscal year, and those donations can be made through a variety of methods including outright gifts, recurring credit card payments, gifts of stock, and more. Multi-year pledges are encouraged and help to secure membership over a longer*

*term. Our Graduates of the Last Decade (GOLD) donors can gain membership through our 1869 Society Associates program, with tiered giving based on their graduation year. For more information, visit [ursinus.edu/support-uc/1869-society/](https://ursinus.edu/support-uc/1869-society/).*

*Below is a list of 1869 Society members from the 2022 fiscal year (July 1, 2021 – June 30, 2022). We are truly grateful for their generosity to Ursinus College!*
