POST-GRADUATION STATUS

Information obtained about graduates from the previous graduating class is compiled and presented each year in the *Ursinus College Post-Graduate Destination Report*. This report provides detailed information on employment patterns and graduate/professional school placements for the Class of 2018. Sources of information for this report include graduate self-reports (i.e., written survey, online survey, phone survey, and email), social media and faculty and staff reports of student status.

The National Association of Colleges and Employers has established national standards and protocols to guide higher education institutions in collecting and disseminating data on career outcomes of graduates. The standards provide a common deadline and consistent metric to be used in reporting and comparing summary outcomes from higher education institutions across the country. Data is collected six months after graduation.

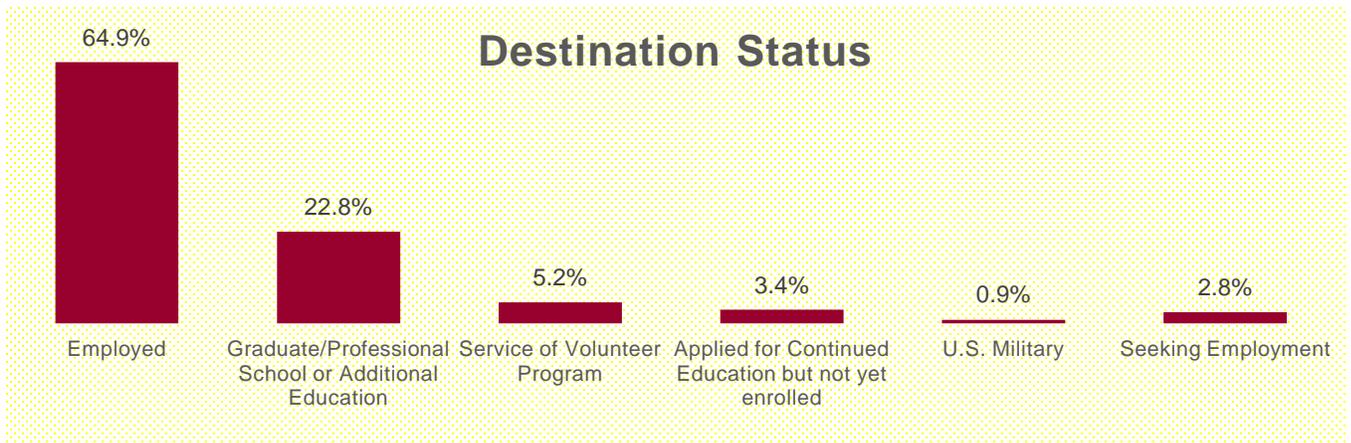

Information for the Class of 2018 report is based on data collected by **December 31, 2018** with a knowledge rate of 84.9%¹. The Ursinus career outcomes rate is 93.8%.²

The information below depicts the post-graduation status of 325 members of the Class of 2018. For a breakdown according to major, please see **Appendix A**.

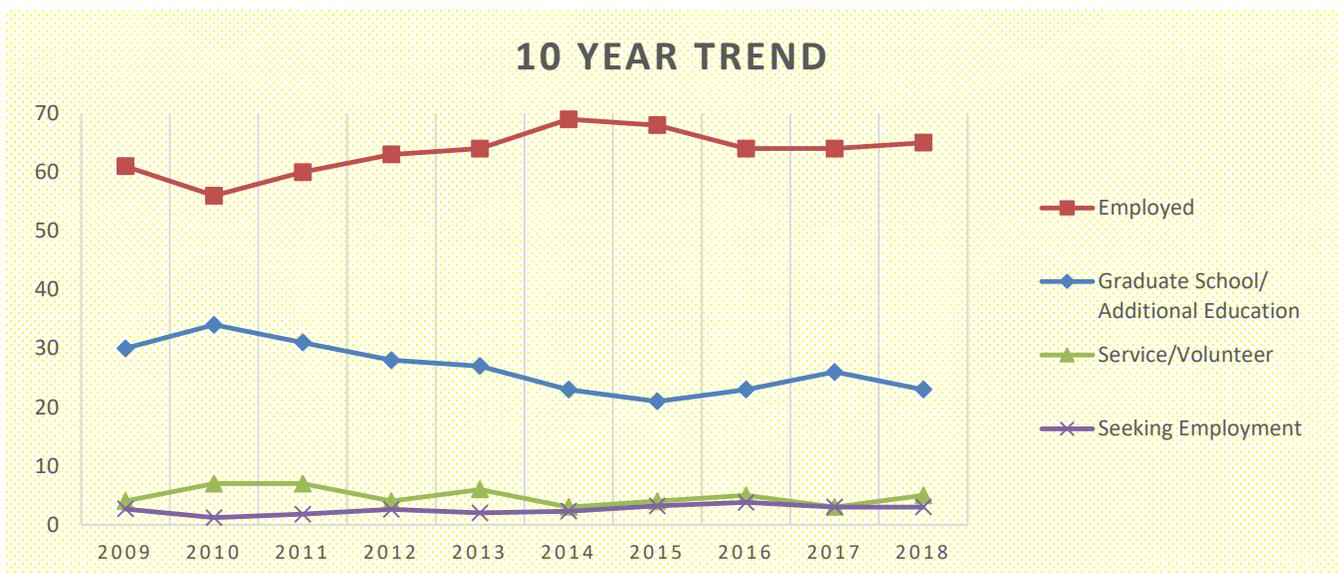

STATUS	Knowledge Rate # Graduates	Knowledge Rate % Graduates
Total Employed	211	64.9%
Full-time Employment	176	54.2%
Part-time Employment	35	10.8%
Graduate/Professional School or Additional Education	74	22.8%

Service/Volunteer	17	5.2%
Military	3	0.9%
Unemployed & seeking employment	9	2.8%
Not seeking employment or continuing education at this time	0	0.0%

¹ Knowledge Rate: This is the percentage of the graduating class for which an outcomes destination is known.

² Career Outcomes Rate: This is the number of graduates who have landed in any of the employment categories plus service and military plus continuing education divided by the number of students for whom an outcome is known.
