POST GRADUATION STATUS RESULTS

Information obtained about graduates from the previous graduating class is compiled and presented each year in the *Ursinus College Post Graduate Destination Report*. This report provides detailed information on employment patterns and graduate/professional school placements. Sources of information for this report include graduate self-reports (i.e., written survey, online survey, phone survey, and email) and faculty reports of student status. Information for the Class of 2011 report is based on data collected by May 1, 2012 on 331 graduates, 87% of the graduating class.

The table below depicts the post graduation status of 331 members of the class of 2011. For a breakdown according to major, please see **Appendix A**.
