## NOTES AND UPDATES: IMPORTANT THINGS TO KNOW

- Satisfactory Academic Progress (SAP) will be evaluated once Spring 2024 grades are posted. The SAP policy can be found at: [www.ursinus.edu/financialaid/sappolicy](http://www.ursinus.edu/financialaid/sappolicy). Students who do not meet SAP requirements will be notified by the end of May by both an email and a letter to the home address on file.
- Financial aid will be renewed to returning students who have met SAP requirements and turned in all required documents starting the end of May.
- Your award letter will be available on the self-service portal; you will receive an email when it is ready to view. Please review the terms and conditions of your award under the Policies and Procedures section online at [www.ursinus.edu/financialaid/policiesandprocedures](http://www.ursinus.edu/financialaid/policiesandprocedures).
- If you were awarded the UC Fund in previous years, you must file a FAFSA to be considered for renewal of this award. If your financial need has changed, all need-based aid may be subject to change.
- **All accounts must be paid in full by the due date listed on your invoice. You will not be permitted to start classes or move onto campus if you have an outstanding balance due.**
- If you would like someone other than yourself to have access to your financial aid award, please add them as a Proxy (if you have not already done so) on the self-service portal.
